

Vajreshwari Basketball Court Inauguration:

Hi 5 Youth Foundation celebrated the Shri Ghadge Maharaj Mission Ashram School basketball court inauguration at Vajreshwari, Thane District, on January 13, 2017. The court was inaugurated by Ramesh Kacholia, Founder - Caring Friends who is very special to us. Our friends and partners joined us in the celebration. After practicing for 4 months in a hall, Vajreshwari children were ecstatic to see the basketball court with new fiberglass boards, markings and smooth surface to play and practice. Children performed basketball drills and also played a friendly match.

Powai Run and Standard Chartered Mumbai Marathon 2017:

Our children from Baradevi School, Goshala BMC School, Ghatkopar YMCA and St. Arnold School participated in Standard Chartered and Powai Run 2017. This was the first experience for our children from Hi 5. There was so much excitement and enthusiasm from children who participated. Heads turned as there were many from the crowd trying to capture them dribbling all along as they walked. Bright neon green Jerseys were hard to miss.
