

Hi5 children back in School and back in courts after a month gap

Back to School! Back to Basketball! Hi5 children came back with full energy and enthusiasm to bond, play and excel in basketball. The returning students were placed at the next level – Intermediate and Advanced. Monsoons are always a challenge in Mumbai – with a week of heavy showers in the city, the practices got altered between indoor halls and courts.

Jersey distribution for returning students and tournament announcements to parents

Hi5 children gets yet another set of Jersey for the school year 2017-18. Coordinators went around schools distributing Jerseys, organizing PTA meetings, explaining the work ethic and culture of Hi5. With many tournaments coming up in this school year Hi5 coordinators set up meetings for the ongoing support from parents for all the exciting times ahead

New coaches in house training in Boomerang office

For one whole week the new coaches were trained by senior coaches on Hi5 structured methods. New coaches demonstrated using mock class rooms and had to wait for the certification at the end of training. Also, for the first week they shadowed the senior coaches on the field before being put on the field with the children.
