

## Hi 5 Dixit-Motilal-Unnat-Pahadi U13 girls were champions at YMCA 125<sup>th</sup> year Tournament

Hi5 girls were champions at YMCA 125<sup>th</sup> year open tournament that was held all across YMCA's in Mumbai between May 22<sup>nd</sup> and June 3<sup>rd</sup>. Our girls got team trophy and cash prizes. Simran of Dixit Road BMC school emerged as MVP (most valuable player) in her category. She bagged the individual trophy and cash prize as well. Kudos to our girls!!

## New coaches orientation and coaching curriculum development at Hi5

We at Hi5 have the month of June as the down time for children. This is their last chance to take a vacation, get ready for reopening of schools and settle down in their respective new classrooms. Hi5 staff, coaches and coordinators work in full swing preparing the curriculum, coaching formats and initiating the new coaches into the Hi5 culture and philosophy

## Coordinators work on Life skills curriculum for the academic year

Just like the coaches the coordinators develop the curriculum for life skills. Life skills are embedded into the basketball program – where the coordinators and coach introduce the topics to the children in a fun format. Topics include anything from Excellence, Teamwork to self belief and responsibility - towards self, others and to the community. Every child has rights to sports education as well.
