

Changing young lives thru play!

RESURGENCE : THE YEAR OF COMEBACK

**ANNUAL REPORT
2022-23**

A large group of children, mostly of South Asian descent, are gathered together, many holding up orange basketballs. They are wearing green and blue uniforms. The background is slightly blurred, showing an outdoor setting with trees and a building. The overall mood is energetic and positive.

"Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. It speaks to the youth in a language they understand.

Sport can create hope where once there was only despair".

-Nelson Mandela
